**VISA APPLICATION PROCEDURE
THE EUROPEAN CLIMBING CHAMPIONSHIPS 2020
(LEAD, SPEED, BOULDER, COMBINED)
November 20 – 29, 2020
Moscow, Russia**

The Russian Foreign Ministry has approved a special facilitated visa procedure for all categories of participants of the European Climbing Championships 2020 (Lead, Speed, Boulder, Combined), i.e. athletes, members of the official delegations, international technical officials (referees and judges), IFSC Family members and official guests, as well as media representatives. All the Russian Consulates throughout the world will be notified of the above procedure. According to it, the visas are to be issued on a priority basis, i.e. within three days from the date of application (or on the same day if necessary) at any Russian Consulate regardless of citizenship.

In this case after processing the personal data submitted to the LOC in a special EXCEL form (ANNEX 1), a scanned invitation letter will be issued and sent to the applicant(s). It is to be submitted to any Russian Consulate or its authorized Visa Handling Service Centre regardless of citizenship along with other personal documents (such as the passport, the necessary number of pictures, completed application form, etc.) for visa processing in person or by a representative. As the above visa procedure is exceptional, please make sure to mention that you are applying for the Russian visa to attend the European Climbing Championships 2020.

Some consulates of the Russian Federation accept postal applications. Though there is a number of consulates, where personal attendance is required for fingerprints. All details are to be checked on the consular website in advance.

Here is some useful information for completing a visa application form on the website: *In the field 'Purpose of visit (section)' please choose 'science-culture-sports-religion'; in the following field 'Purpose of visit' 'Sport relations' is to be chosen. In this case 'Visa category and type' will automatically come as 'common humanitarian'. Or if you have a media ID, you choose 'business visits' in the field 'Purpose of visit (section)', 'mass media business trip' in the field 'Purpose of visit' and in this case 'Visa category and type' will automatically come as 'common business'. The field 'Name of organization' is to be completed with 'Moscomsport', its address*

being '18 Milyutinskiy per, Moscow 101000, Russia', TIN 7708308010. As the above visa procedure is exceptional, don't complete the fields 'Directive (telex) number' or 'Invitation number'.

The completed Form with the personal data is to be provided in EXCEL format and e-mailed to: Alla Goncharova climbingvisas2020@inbox.ru.

Important to remember:

1. Make sure that each passport has two blank visa-designated pages.
2. Make sure that the expiry date of the passport is at least six months after the last day of the expected stay in Russia.
3. If the passport does not meet these two requirements, a new passport must be obtained or the existing one is to be prolonged before you can request the invitation letter.

Important COVID-19 restrictions information:

On boarding the plane to Russia all foreign citizens are to provide a printed medical document (in English or Russian) confirming the negative PCR test for COVID-19 which was made not earlier than 72 hours prior their arrival in Russia, i.e. the moment of crossing the border control in Russia. The document may also be in the official language of the country of issuing authority with a Russian translation notarized by a Consular Officer of the Russian Federation.

Please note that the document is to be printed out. SMS or any other form of confirmation on the mobile phone will not be accepted.

It is also mandatory that prior the arrival in Russia foreign citizens are to complete and submit a special Application form for border crossing following the link:

<https://www.rospotrebnadzor.ru/upload/авиаАнкета%20RUS.docx>

Important information for those who have received the Russian visa for the European Climbing Championships 2020 (Lead, Speed, Boulder, Combined) to be held in March 2020.

In view of the entry restrictions to the Russian Federation for foreign nationals due to the COVID-19 quarantine, you will need to apply for new visas, since the current Russian Law does not provide any extension of valid visas.

At the same time, foreign citizens will be able to apply for gratis visas **only once** provided that all following conditions are met:

- the applicant's passport contains an unused single or double entry visa valid not earlier than from March 15, 2020;
- the applicant has submitted all necessary documents required for issuing a single visa for the dates;

Along with the documents that are mandatory for issuing a new visa, the applicant should submit to a respective Consular Office a written application in any form for exemption from visa fees due to the force majeure circumstances that prevented him/her from travelling, i.e. the decision of the Russian authorities to restrict entry to the territory of the Russian Federation.
