7. HOW TO GET TO MAR DEL PLATA

Mar del Plata is a coastal city in Buenos Aires Province, Argentina, with a population of about 600,000 people. It is a major port and beach resort, and the second most visited tourist destination in the country after Buenos Aires. Mar del Plata has 47 km of coastline with beautiful beaches, bays, cliffs, and forests. It also has a rich cultural and historical

heritage, with museums, theatres, monuments, and festivals. Mar del Plata is known for its seafood cuisine, its sports activities, and its nightlife.

The most common way to get to Mar del Plata from other countries is to fly to Buenos Aires and then take another flight, bus, train, or car to Mar del Plata.

By Plane

The airport destination is the Astor Piazzolla International Airport (MDQ), located 10 minutes away from Mar del Plata city center. The total flight time is around 1 hour from Buenos Aires city.

By Train or Bus

The train and bus station are located at Mar del Plata city center, the train option is inexpensive but it's sometimes hard to get tickets, the total trip time for both options are around 5 – 6 hours.

8. ACCOMMODATION

Being Mar del Plata a tourist city, there is a wide range of hotels, hostels, rental apartments, etc. Being the competition outside of commonly tourist dates there should be no problems to get

INTERNATIONAL FEDERATION OF SPORT CLIMBING

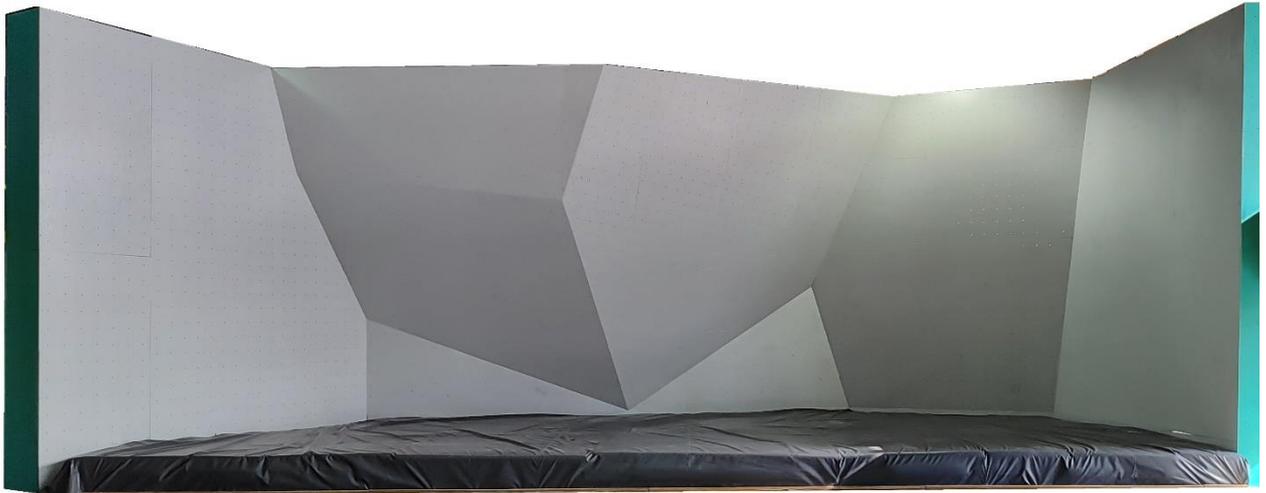

accommodation. In any case, we are working to find alternatives and recommend places to the delegations that register in the competition.
